Approved For Release 2001/04/23 : CIA-RDP66R00638R000100100135-3

OSA-1751-62

MEMORANDUM FOR: Space Allocation and Facilities Branch
Office of Logistics

ATTENTION : Telephone Section

SUBJECT : Telephone Service for Intelligence Staff, OSA

1. Intel/OSA presently has one Agency circuit (6553) and one Red Phone (1826). An urgent requirement exists for the installation of an additional Agency circuit at the earliest practicable date.

2. Seven employees from the Intelligence Staff, plus four employees from the Weather Staff, use the one Agency circuit available to Intel/OSA at this time.

3. Expeditious handling of this request will be very much appreciated.
